Arlington Park
Student Apartments

Location Location

The right location makes all the difference. We are
conveniently located adjacent to the University of
Northern Colorado. We're one block away from the UNC
University Center. The location is just a short and easy
stroll to classes, shopping, and entertainment.

Discover

The freedom to reveal who we really are and what we bring to the world. The Opportunity to make the most of this once-in-a-lifetime opportunity to learn. And to live. Welcome to Arlington Park Student Apartments!

Contemporary

Accommodations include four bedroom & two bath units, two bedroom & two bath units, and unique loft style two bedroom & one bath units. Residents of Arlington Park will find that these modern apartment homes provide both the convenience of being on-campus as well as the comforts of getting the most out of their college experiences.

Arlington Park makes the college experience fun and comfortable.

While our apartments are designed to create environments around every student's educational aspirations, Arlington Park is also very dedicated to the surrounding community. Our professionally trained staff is available 24 hours a day and 365 days a year. To meet the needs of all our Arlington Park residents, we are constantly developing a vast menu of activities including nutrition and fitness seminars, community outreach programs, social events, day trips, movie nights and more.

Living

Arlington Park is different than typical student apartments. Generously sized bedrooms are comfortable, attractive, and functional. Spacious living rooms in each suite provide plenty of room for relaxation.
